

SYMPHONY

wall mount extension post

310.8207.XXX

FEATURES

These extensions are used in wall mount applications to provide extra distance (1.25") from the wall to the backside of the horizontal bars.

Greater distance from the wall to the backside of the horizontal bars allows placement of Symphony Trays + Holders

Incorporate the Pencil Holder, Tablet Stand, Pencil Tray, and Paper Tray in the office, vanity, or entryway.
