Moovit is recommended for frameless cabinet construction.

1) What length does the slide need to be in mm? Please check one of the following:

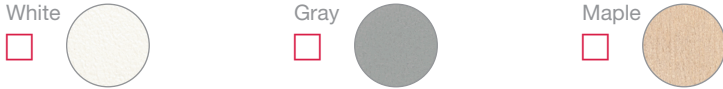

- 270 (10 5/8")
- 300 (12")
- 350 (14")
- 400 (16")
- 450 (18")
- 500 (20")
- 550 (22")
- 600 (24")
- 650 (26")

1.1) Please specify drawer color:

2) Please specify melamine bottom and back color:

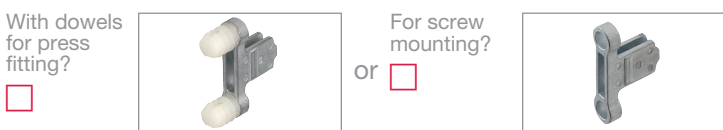

We recommend using Champagne/Maple, Metallic Gray/Gray and White/White. You can choose any of the 3 finishes of drawer slide and any of the 3 color options for the melamine and combine them as you like.

3) Select:

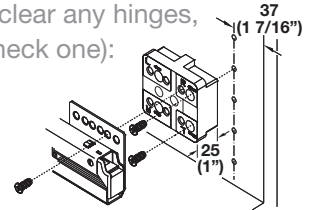

If standard drawer go to 3.1. If internal drawer go to 4.

3.1) What would you like the front drawer brackets to be:

4) If the internal drawer needs to clear any hinges, will it need to clear them on (check one):

- 1 side of the opening
- or
- Both sides of the opening

We will need to include 2 spacers for each side of the cabinet you must clear hinges on.

5) Would you like either of the following drawer options:

- None
- A railing set
- Height extension panels

If using railing set, go to 5.1, otherwise continue to 6.

5.1) Would you like a cross rail for the drawer to go with the railing set?

How many would you like for each drawer?

- none
- 1
- 2

6) Please specify frameless cabinet inside cabinet width: mm _____ inches _____

7) Drawer Assembly Service (optional): Yes No

8) Order Qty.: _____

For Internal Use Only:
