FEATURES

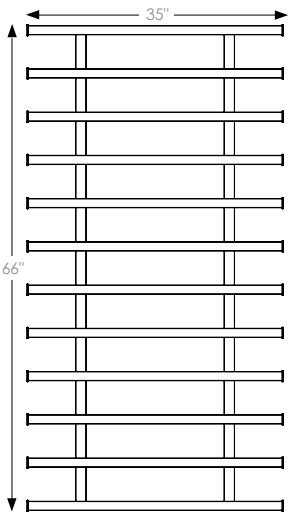

The tallest Symphony Wall Organizer is a piece of functional art, ideal for high-capacity, low-profile storage.

The Dodeca is an impressive display of 12 horizontal bars that are ideally suited for wide open walls where a diverse array of items can be stored.

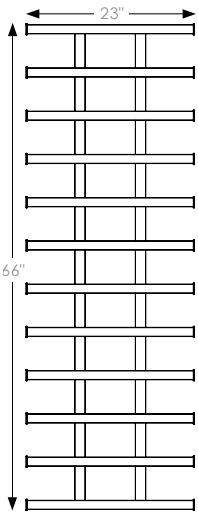

In the closet, create a wall display of three dozen high-heeled shoes, or over a hundred ties. In an entryway, hang coats, hats, and bags up high, and shoes at the bottom.
