

COVER CAP - HEAVY DUTY
300.5200.BLK/MAL

DESCRIPTION & SPECIFICATIONS

The Heavy Duty Cover Cap attaches the hook to the track and creates an attractive look. Caps can be custom branded to feature the name or logo-type of your closet shop.

SIZE & CAPACITY | Heavy Duty

AVAILABLE FINISHES |

Matte Aluminum, Black.

INSTRUCTIONS & SPECIFICATIONS

- STEP 1: Align the cap with the slots on the hook base.
- STEP 2: Press the cap into the slots. Hook is now fixed in place.

MATTE ALUMINUM	MAL
BLACK	BLK

**TRACK SYSTEM
MATTE ALUMINUM/WHITE**

DESCRIPTION & SPECIFICATIONS

The TAG track system is the perfect solution for organizing your garage, office, closet and other areas with specialized hooks. The track replaces the outdated and unsightly pegboard system with functionality and aesthetics.

AVAILABLE FINISHES

Matte Aluminum, White.
